

Attributes

Adjustment range:	100 - 3000 psi
Capacity:	40 gpm
Cavity:	T-17A
Control:	Standard Screw Adjustment
Description2:	Pilot Operated Pressure Reducing Valve
Manufacturer part number5:	PPHB-LAN
Manufacturer4:	Sun Hydraulics
Max. pressure:	5000 psi
Seal Material:	Buna N
Series:	3
Sxnum3:	PPHB-LAN

brand	Sun	Nominal diameter	6cm	quantity	25
Does it support custom processing?	no	Imported	yes	Packaging specifications	cardboard box
Origin	USA	Functions and uses	Reversing direction	Scope of application	Hydraulic system
color	black	Product Name	Cartridge valve	Is it original?	yes
Is it in stock?	yes	weight	2.5KG	Application scenarios	Hydraulic system
App Market	China	Product warranty	One-year warranty	Land available for sale	Beijing; Tianjin; H...
Material	cast iron	model	PPHB-LAN-BKJ
